**REPLY MEMORANDUM IN SUPPORT OF
MOTION FOR ADMISSION PRO HAC VICE OF PAUL ALAN LEVY**

Plaintiff Johnson has filed an Opposition (ECF No. 16) to the Motion for Admission Pro Hac Vice of Think Computer Corporation's counsel Paul Alan Levy (ECF No. 13), alleging that Mr. Levy has been suspended from the practice of law in New York and therefore his admission should be denied in this Court. Plaintiff makes his allegation based on an unauthenticated document which, if genuine, reflects that in 2019, the Third Department removed someone named Paul Allen Levy, Bar No. 2007888, from the roll of attorneys for failure to renew registration. However, the undersigned proposed admittee spells his name differently, his Bar Number in New York is different, and he recently received from New York an acknowledgment of the renewal of his registration. *See* accompanying affidavit of Paul Alan Levy.

Respectfully submitted,
